

**I'M RENOVATING A HOLIDAY HOME** in Byron Bay, in northern New South Wales. Imagine a white weatherboard Queenslander-style house with a casual, understated feel. I'm using vintage pieces that are a bit surfy, a bit hippie and even a bit nanna, balancing them out with fresh, white, modern pieces. Rattan, cane and sisal create a coastal look, while a gold, white and blue-green palette will mimic the colours of the sand and sea. Bring on summer!
